

PATHFINDER ADVENTURE PATH: EXTINCTION CURSE

PATHFINDER SOCIETY

When you play or GM *Pathfinder Adventure Path: Extinction Curse*, you can earn specific benefits for the Pathfinder Society Organized Play campaign.

KEY DIFFERENCES FROM SCENARIOS

Pathfinder Adventure Paths have longer play times than scenarios and may take multiple sessions to complete. They do not contain specific faction-related elements, nor are they tiered for play by characters over a wide range of levels. Thematically, most Adventure Paths do not assume the characters are Pathfinders. These adventures are therefore offered outside of the standard Organized Play environment and can be played with characters who do not conform to Organized Play requirements.

KEEPSAKES

Chronicle sheets for Pathfinder Adventures and Adventure Paths will occasionally include a section for Keepsakes. It is generally assumed that a character will only acquire only one keepsake per adventure; once a player has applied this Chronicle to a character and purchased a keepsake from the list, they must cross the remaining items in that list off of their Chronicle sheet. The character does not have access to the crossed-off items, though they may later gain access to some of these items through other means (such as boons purchased through the Achievement Points system). A player cannot purchase more than one copy of a keepsake item.

APPLYING CREDIT

Players who play through each volume of this Adventure Path, as well as GMs who run the adventure, gain the Chronicle Sheet for each completed volume, which they can apply to any of their Pathfinder Society (second edition) Organized Play characters. Players must decide which character to apply credit to when they receive the Chronicle Sheet and the GM signs it. Each Chronicle Sheet gives 1 level's worth of experience (12 XP), 30 Treasure Bundles appropriate to a character of that level (applied in batches of 10 Treasure Bundles at each 4 XP interval), and 12 Reputation that can be assigned to any

faction. Players earn access to the items and options listed on the Chronicle Sheets through their actions during the adventure. If the PCs do not discover an item or fulfill the conditions described in the adventure to gain access to an option, cross that option off of each player's Chronicle Sheet. If a single PC gains access to an option presented on the Chronicle Sheet that can only be obtained by one member of the party, they earn that option on the Chronicle Sheet for all members of their group.

ABOUT THE PATHFINDER SOCIETY

The Pathfinder Society Organized Play campaign is a worldwide fantasy roleplaying campaign that puts you in the role of an agent of the Pathfinder Society, a legendary league of explorers, archaeologists, and adventurers dedicated to discovering and chronicling the greatest mysteries and wonders of an ancient world beset by magic and evil. A Pathfinder's adventures explore the dark alleys and political intrigues of Absalom between far-flung travels to the most interesting and remote locales in the world of Pathfinder. In an Organized Play campaign, your character exists in a common setting shared by tens of thousands of other gamers from around the world. You can take your character to any public Pathfinder Society event anywhere in the world, and while the Game Master and your companions might change every time you play, your character advances as normal. Over time, campaigning in an Organized Play environment offers a uniquely immersive experience, as your diverse companions add depth and character to the campaign world. It's also a great way to get in touch with other local gamers, meet new people, and play regularly without all the prep work and scheduling of a traditional campaign. For more information on the Pathfinder Society, on how to read the attached Chronicle Sheets, and to find games in your area, check out the campaign's homepage at pathfindersociety.club.
